DEDICATION

Mrs. Nancy Eddy

Dear Mrs. Eddy,

We have so much that we would like to say to you. Some of us could remind you of days in French class–days when we studied vocabulary, or ate snails, caviar or even tiger meat. Many of us could remind you of your long hours spent helping us prepare for the Prom when we were Juniors.

Some could remind you of days you gave a helping hand to students not even in your classes. Most of us could remind you of days in English IV. When BEOWULF came alive and GREAT EXPECTATIONS was no longer a book we had heard of somewhere.

We have so much we will remember about you. All of us will remember your kindness and consideration. We will remember your complete fairness to us all. We will remember your willingness to spend your vacation days writing recommendations for us for college or work.

Mrs. Eddy, what we have been trying to say is thank you. Thank you so much for everything you have done to help us.

Sincerely,

The Seniors of 1968

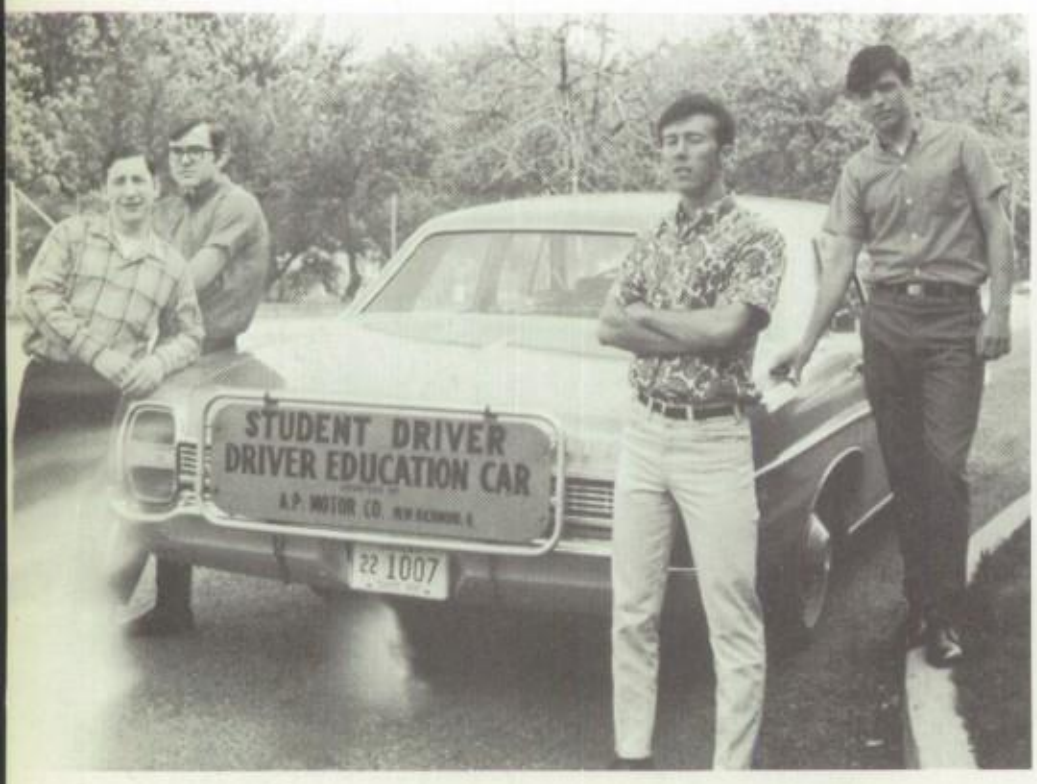
SAFETY CLUB

WINS SAFETY FLAG THREE TIMES



The New Richmond Safety Council is a newly organized club, and is a member of the Clermont County Safety Council. This club is designed to promote safe driving habits among high school students in Clermont County.

Each month a meeting is held, and the Clermont County Safety Flag is awarded to the school having the least number of traffic violation points. New Richmond is proud to say that they won the flag three times during the 1967-1968 school year.

Let's keep up the safe driving.
